

Dr. Bao is the immediate past president of Society for Integrative Oncology (SIO) and the chair of SIO education task force. She is a joint faculty member at Memorial Sloan Kettering Cancer Center Integrative Medicine and Breast Medicine services. She is a breast medical oncologist, medical acupuncturist, integrative medicine physician and physician scientist conducting clinical trials that examine the safety, effectiveness, and underlying mechanisms of integrative medicine approaches to improve cancer patients' quality of life and to address treatment- and disease-related symptoms. She is a member of National Cancer Institute Physician Data Query Integrative, Alternative and Complementary Therapies Editorial Board.
